DISC BRAKES

TACTICAL XTREME

FOR 1999 AND NEWER GM TRUCKS AND SUVs

ULTIMATE ARMORED VEHICLE BRAKE KITS

SAFETY AND PERFORMANCE SHOULD NEVER BE COMPROMISED. Tactical Xtreme high-capacity brake systems are purpose-built for high GWVR trucks and Class 1-3 armored vehicles. Developed for the U.S. Army Special Operations (SOCOM), these kits have been tested in the most extreme environments, and are built to outlast and outperform.

AVAILABLE FOR 20" AND LARGER WHEELS,
INCLUDING STOCK WHEELS

MADE IN THE U.S.A.
