

FOR IMMEDIATE RELEASE:

Wilwood Announces New Front and Rear Road Race Disc Brake Kits for the 2010-2015 Chevrolet Camaro

Camarillo, CA • February, 2016

Wilwood's 5th Gen Camaro road race kits feature forged aluminum Aerolite 6R/ST racing calipers up front working in tandem with forged aluminum Superlite 4R/ST racing calipers in back; both in durable Quick-Silver finish. Front and rear kits feature 14" diameter **Spec37** alloy directional vane GT competition series face-slotted rotors and dynamic mount forged aluminum alloy hats. Included are BP-40 compound metallic-composite *SmartPads* which provide improved friction and durability for road race applications.

These kits have been configured for matched performance with the Original Equipment (OE) master cylinder and are fully functional with the ABS and all electronic controls. All necessary hardware is included with a detailed guide for an easy bolt-on installation.

MSRP is \$2,841.99 for front kit and \$2,261.00 for rear kit.
