

FOR IMMEDIATE RELEASE:

[Wilwood Disc Brakes Announces New Front Road Race Kit for the 1997-2013 C5/C6 Corvette](#)

Camarillo, CA • June 2017

Wilwood has released a newly configured competition front brake package for 1997-2013 Corvettes competing in autocross and intermediate club-level road course events.

The kit is fortified for competition with black anodized Aerolite 6R radial mount calipers equipped with stainless steel pistons and internal damping springs, and accepts a wider 20mm thick brake pad. 14.00" diameter two-piece rotor assemblies featuring **Spec37** alloy SV-GT directional vane competition rotors mount to the OE hubs with weight-saving aluminum hats. BP-40 compound *SmartPads* provide fast response and high friction throughout their entire temperature range. These fully bolt-on kits include mounting brackets, hardware and a detailed installation guide.

MSRP is \$1,869.00.
