

**FOR IMMEDIATE RELEASE:**

## **Wilwood Renews Title Sponsorship of the Wilwood Corvette Challenge for 2018**

### **Camarillo, CA • February 2018**

Wilwood Disc Brakes is proud to renew their partnership with Speed Ventures and return as title sponsor of the Wilwood Corvette Challenge for the 2018 season.

The Wilwood Corvette Challenge promotes friendly competition and welcomes drivers from all experience levels to test their road-racing skills against the clock. The series stops at popular tracks in California and Nevada, and is open to all Corvette models.

“Wilwood’s partnership with Speed Ventures allows us to help educate grassroots drivers on how to choose the right braking components,” said Steve Cornelius, Director of Sales and Marketing at Wilwood. “Our extensive Corvette product line ensures the right solution is available, no matter the year or model.”

Round 2 of the Wilwood Corvette Challenge is Feb. 17 at Auto Club Speedway. For more information and to register visit [www.speedventures.com](http://www.speedventures.com).

### **About Wilwood Engineering**

Founded by Bill Wood in 1977, Wilwood Engineering designs and manufactures high-performance disc brakes and components from their headquarters in Camarillo, California. Engineered and rigorously tested for any application, Wilwood celebrates 40 years of unsurpassed braking quality and performance with sleek, modern designs. From race cars to classic cars, Wilwood has the brakes to stop you. For more information, contact Wilwood Engineering at [info@wilwood.com](mailto:info@wilwood.com)
