

**FOR IMMEDIATE RELEASE:**

**Wilwood Disc Brakes Releases Rear Brake Kits for GM G-Body  
7-1/2" & 7-5/8" Differentials**

**Camarillo, CA • February 2023**

Wilwood has added two all-new disc brake options for GM G-body vehicles equipped with 7-1/2" (7.5") or 7-5/8" (7.625") rear differentials. GM models include the Chevy Monte Carlo, Malibu, and El Camino. Newly available for this popular platform are Wilwood's modern Pro Series Dynalite caliper kit with 12.19" rotors and DynaPro-LP caliper kit with 11.00" rotors, both to improve stopping power.

Both kits feature forged aluminum four piston calipers and Ultralite HP performance iron alloy rotors with internal drum parking brakes. Gloss red or black powder coat finish calipers are standard, with 22 optional colors available (additional charges may apply). Rotor options include Wilwood's plain face or SRP drilled and slotted.

MSRP: starts at \$1,062.73
