

FOR IMMEDIATE RELEASE:

Wilwood Announces New Classis Series Front Disc Brake Kits for 1950-1955 MG's

Camarillo, CA • December 2015

Wilwood Classic Series front disc brake kits provide an affordable and easy-to-install solution to upgrade from Original Equipment (OE) drums while fitting inside the OE-style steel wheels. Built specifically for the 1950-1953 MG-TD and 1953-1955 MG-TF, Dynalite Classic Series kits use 10.75" diameter rotor assemblies and bolt directly to the OE drum brake spindles.

Dynalite forged aluminum four piston calipers (available in black anodized or red powder coat), BP-10 compound *SmartPads*, mounting brackets, stainless steel braided DOT approved flexlines and all the necessary hardware for a complete changeover are included in these kits proudly made in the USA.

MSRP starts at \$1,399.99.
