

FOR IMMEDIATE RELEASE:

Wilwood Renews Title Sponsorship with Redline Time Attack for 2016 Season

Camarillo, CA • January 2016

Wilwood Disc Brakes has extended its Title Sponsorship of the Redline Time Attack Series through the 2016 season.

Redline Time Attack is a California-based motorsport series dedicated to providing the most exciting sports car and tuner-based road racing events.

As part of the sponsorship, Wilwood will be named Title Sponsor of the Redline Time Attack Series as well as various series-owned festivals including Subiefest, Nissfest, Mitsufest and Mazfest. In addition, Wilwood will have exhibit space and provide product certificates to be raffled off at each festival.

"The Redline Time Attack Series is all about going fast and with all that speed you need brakes that perform," said Steve Cornelius, Director of Sales and Marketing for Wilwood Engineering. "Wilwood's wide variety of braking applications for domestic and import vehicles makes for a great partnership with this series that supports both. We are excited for another successful year."

Round 1 at Thunderhill Raceway Park in Willows, CA on February 7 has been cancelled due to inclement weather. The next scheduled event is at Willow Springs International Raceway on March 26. For more information about the Redline Time Attack Series click [here](#).
