

TACTICAL XTREME BRAKE PADS FOR ARMORED VEHICLES

TX1

Wilwood's **TX1** compound **SmartPad** has been formulated to provide the friction, wear, and predictability that heavy trucks and armored vehicles demand. Developed specifically for Wilwood-tough **Tactical Xtreme** brake calipers.

Formulated for better than average rotor wear, while providing increased friction at higher operating temperatures.

PAD #10120

PAD #7520

PAD #6617

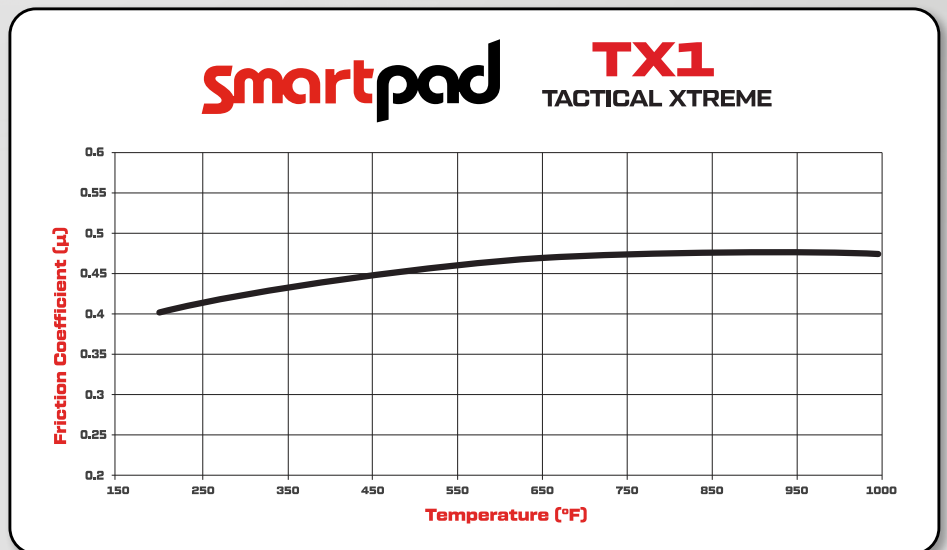

KEY FEATURES:

- High-performance armored vehicle pad
- Immediate low temperature response with friction that rises gradually with temperature
- Flat torque curve to over 1000°F
- Smooth predictable pedal feel
- Medium-low wear rate
- Medium-high friction

APPLICATIONS:

- Armored vehicles
