

FOR IMMEDIATE PRESS RELEASE:

Wilwood's New Bolt-On High Performance Big Brake Kit for the '06 Honda Civic Si

Camarillo, CA June 3, 2010

Wilwood has designed this kit (p/n [140-11978](#)), specially for Honda's new Civic Si. Race-proven forged billet six piston calipers are available in a choice of red or black anodized finish. The kit includes large diameter, GT rotors cross-drilled & slotted rotors with Wilwood's latest BP-10 Smart Pads all of which have been combined to shorten stopping distances, improve handling and eliminate dressed-up overworked stock components.

Wilwood High Performance Brake Kits are loaded with cutting edge technology built on years of domination in world motorsports and engineered for easy bolt-on installation. Big brake styling that meets the high performance demands of today's tire, wheel and suspension technology.
