

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New 2014-2018 RAM Truck Front and Rear Brake Kit Upgrades

Camarillo, CA • April 2020

Wilwood is pleased to announce Tactical Xtreme TX6R front and rear brake kit upgrades for 2014-2018 RAM 2500/3500 trucks. Massive forged aluminum six piston calipers wrap around 16.00" diameter GT directional vane rotors. Combined with high-grip, long-wear and fade-resistant BP-20 compound *SmartPads*, these kits provide unmatched braking capacity and durability for all types of high-demand highway, towing, commercial and heavy load off-road applications.

Kits are fully compatible with the OE master cylinder output, ABS system, all electronic controls and the rear OE parking brake. Each kit includes premium-grade hardware, stainless steel DOT approved flexlines and a detailed installation guide.

MSRP starts at \$2,589.94 (front) and \$2,519.94 (rear).
