

**FOR IMMEDIATE RELEASE:**

## **Wilwood Announces new Front and Rear Disc Brake Kits for the BMW Mini**

**Camarillo, CA • January 2016**

Wilwood's new front and rear kits for the 2014-present BMW Mini provide an affordable and easy-to-install solution to upgrade from factory disc brakes. Front kits feature forged aluminum Superlite 6R radial mount six piston calipers matched with 12.88" rotors. Rear kits are equipped with DynaPro four piston radial mount calipers and MC4 parking brake calipers mounted over 12.19" rotors.

Front and rear kits both offer the choice of gloss black or red powder coat calipers as well as either SRP drilled and slotted or GT competition series face slotted rotors. Slide in a set of BP-10 compound metallic composite *SmartPads* and you have a setup that delivers high-torque stopping power, optimized cooling and high-tech styling for the street or track.

MSRP starts at \$1,741.59.
