

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Front Brake Kit for 1951-1959 Chevy ½ Ton Trucks

Camarillo, CA • February 2020

Wilwood is pleased to announce that the Classic Series line of brake kits now includes a front kit upgrade for the 1951-1959 Chevy ½ ton truck with two-wheel drive. Affordable bolt-on brake kits provide an easy solution for enthusiasts looking to upgrade their drum brakes while using the OEM spindle.

Kits are designed for 5-bolt pattern only (5 x 4.75", or 5 x 5.00"), and feature a one-piece rotor and hub design. Wilwood's competition-winning forged aluminum DynaPro 6A six piston calipers are combined with street-performance, low-dust, high-friction BP-10 *SmartPads*. All kits include the necessary hardware, brackets, and DOT approved stainless steel braided flexlines.

MSRP starts at \$853.99.
