FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New GM Metric Caliper and Receives IMCA Approval

Camarillo, CA • November 2020
Wilwood Racing division has announced the release of a new GM metric cast iron brake caliper, which was awarded IMCA (International Motor Contest Association) approval for use by its members in competition. The caliper is purpose-built for racing and is equipped with high-temperature seals, a 2.50" piston bore, and accommodates 11.00" or 11.75" rotors up to 1.04" wide. Dual symmetrical bleeder locations eliminate the need for carrying multiple spares as the calipers may be right or left mounted.

MSRP $90.74 each.
