

**FOR IMMEDIATE RELEASE:**

**Wilwood Disc Brakes Announces Their Dynalite-GT Street and Track Front Brake Kits for Mazda MX-5 Miata's, P/N 140-13379**

**Camarillo, CA • May 2016**

Wilwood's forged Dynalite-GT rotor front brake kits for the 1989-2005 Mazda Miata's have been designed to provide extended range performance and high response control on vehicles prepped for street, auto-cross and track driving with 15" wheels.

The forged Dynalite four piston calipers, and GT 72 vane **Spec37** alloy face slotted two-piece rotor assemblies, have been fortified with BP-20 metallic-composite compound *SmartPads*. The BP-20 compound formula delivers rotor and driver friendly operation on the street, with high grip and extended temperature range protection against fade for auto-cross and on-track driving events.

MSRP starts at \$657.99.
