

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Camber Drive Flange

Camarillo, CA • July 2020

Wilwood Racing division is pleased to announce a new camber drive flange with up to two degrees of misalignment. This new flange is engineered and designed specifically for Wide 5 racing hubs and straight 24-spline axles to provide racers a performance advantage. Steel construction using heat-treated components for additional strength, a plated finish and features a polished internal ball spline to reduce friction.

MSRP starts at \$255.90.
