

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Releases Big Brake Kits for GM A/G-Body and S10 Trucks

Camarillo, CA • September 2021

New Wilwood Aero6 big brake kits feature Aerolite calipers and large rotors engineered for 1978-1988 GM A/G-bodies, and 1982-2004 Chevy S10/GMC S15 pickups and SUVs.

Engineered for heavy, high-powered vehicles, Aerolite's six differential bore pistons transmit massive clamping evenly over the entire brake pad. Proprietary **Spec37** iron alloy 14.00" rotors are thermally stable with 72 directional vanes to shed heat better and come in slotted or drilled and slotted options. Calipers are available in standard gloss red or black powder coat or choose from 22 additional caliper colors (additional charges may apply).

MSRP Starts at: \$2,335.19
