

FOR IMMEDIATE RELEASE:

Wilwood Announces New Aerolite Big Brake Kits for BMW E90

Camarillo, CA • July, 2014

Wilwood's newest forged billet Aerolite calipers have been coupled with 14.00"/355mm rotors in a complete four wheel big brake upgrade package for 2007-11 BMW E90 3 Series cars. Six piston front calipers and four piston rears mounted over 14.00"/355mm rotors deliver unmatched stopping power and high-tech styling for the road or track. Options for caliper finish and rotor style, with a full range of pad compound selections, simplify tailoring these kits to suit the style and braking requirements for all types of driving.

Front Brake Kit, P/N 140-13582-DN

Rear Brake Kit, P/N 140-13583-DN

Wilwood has been expertly designing and manufacturing high-performance disc brakes in the USA since 1977. Engineered and rigorously tested for the track, Wilwood brakes provide unsurpassed quality and performance with sleek, lightweight designs. Wilwood has dominated the motorsports arena for decades, making their street market brakes among the most technologically advanced around.
