

**FOR IMMEDIATE RELEASE:**

## **Wilwood Disc Brakes Announces New Aerolite 6R Disc Brake Kits for Wilwood ProSpindles**

**Camarillo, CA • August, 2015**

Wilwood's forged aluminum Aerolite radial mount calipers and 15.00" diameter **Spec37** alloy directional vane two-piece rotors are combined in these all new brake kits specifically built for Wilwood ProSpindles. Kits can be style matched with either gloss black or red powder coat finish six piston calipers equipped with Wilwood metallic-composite compound *SmartPads*. For performance and style, you have a choice of either SRP series drilled and slotted or GT competition series slotted face rotors. Mounting brackets and all the necessary hardware for a complete installation are included. Wilwood ProSpindle kits are sold separately.

M.S.R.P. starts at \$2,262.39.
