

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New Brake Kits for the Toyota Land Cruiser

Camarillo, CA • October 2018

Wilwood's new front brake kits for the 2008-2011 Toyota Land Cruiser provide unmatched performance and durability for all types of high-demand highway, towing, hauling, and off-road applications. The kits combine the strength and size of the Aerolite 6R forged aluminum calipers with 14.25" **Spec37** alloy rotors, and BP-20 compound high-grip, long-wear, fade-resistant *SmartPads*.

The kits are engineered application-specific and are fully compatible with the OE hydraulics, ABS, and all electronic controls. Each kit includes premium grade installation hardware, stainless steel DOT approved flexlines, a detailed instruction guide, and a high-tech styled complement to wheel, tire, and suspension upgrades.

MSRP starts at \$1,959.95.
