

FOR IMMEDIATE RELEASE:

Wilwood Disc Brakes Announces New C1500 2.00" Drop ProSpindles and Disc Brake Kits

Camarillo, CA • September 2020

Wilwood has announced the release of new direct-fit 2.00" drop ProSpindles for 1988-1998 Chevrolet and GMC C1500 two-wheel drive pickup trucks. High-strength, all iron and steel design with steering arm improves handling and provides an aggressive stance without affecting steering geometry.

Radial mount caliper brackets allow for the secure mounting of popular Wilwood Superlite 6R and Aerolite 6R brake kits for 5-lug wheels. These kits feature forged aluminum hubs and rotor diameters from 12.19" to 14.00" and are compatible with factory-equipped ABS systems.

MSRP \$365.34 (pair).
