

FOR IMMEDIATE RELEASE:

AMSOIL Champ Off-Road and Wilwood Partnership for 2026

Wilwood Racing to Sponsor PRO-AM Turbo SXS UTV Class 2026 Championship Off-Road

Camarillo, CA • April 2026

Wilwood Racing Partners with AMSOIL Championship Off-Road Series for 2026

Wilwood Racing is excited to announce a new partnership with AMSOIL Championship Off-Road and ISOC Racing for 2026, sponsoring the PRO-AM Turbo Side x Side UTV class and exhibiting at many of the series events. As 2025 concluded at the iconic Glen Helen Raceway in CA, Wilwood was eager to attend and experience the action supporting racers firsthand, as the series ended at an all-time high for the season. Witnessing racers embrace the AMSOIL Championship Off-Road series, along with an abundance of fan enthusiasm, Wilwood Racing's involvement was then solidified for 2026, and the company looks forward to being part of the next phase in the modern era of short-course off-road racing.

The series expanded to over 425 racers competing among 20 classes in 2025, indicating yet another year of remarkable growth in both the Pro and Sportsman divisions. Continuing this momentum into 2026, the AMSOIL Championship Off-Road season includes 8 national event weekends entertaining race fans from the Midwest's renowned dirt tracks to the epic terrain of Southern California. Opening with the Show-Me Off-Road Shoutout in Wheatland, Missouri (May 1–3) and closing with the Glen Helen Off-Road National in San Bernardino, California (September 25–26), the series once again ensures a season with increasing popularity and reach.

"This championship continues to thrive because of the passion and dedication of everyone involved, from our racers and teams to our fans and partners," said Carl Schubitzke, President of Championship Off-Road and ISOC Racing. "We've seen tremendous growth over the past few years, and 2026 will showcase that momentum across every stop on the tour. The future of short-course racing has never been brighter."
